Sunday 29th March 2020

Dear Parents and Carers,

We hope you are all well whilst staying at home with your children. Although our gates may be closed for a while, we want you to know that we are still here for you and your children.

All children should have their home learning packs to last until the Easter holidays. From 20th April a timetable of work will be emailed and put on the website each Sunday evening. Our teachers will always have more suggestions and activities if needed. However, art, gardening, building, cooking, watching films, playing outside and having fun is just as important at this moment in time. Our children's wellbeing must be prioritised above everything else. Build a timetable that works for you and your family. This is a new challenge for all of us and we are all learning together.

At a time when we are isolated from one another, I am keen to ensure that relationships and connections remain strong. We would be delighted to hear from any of you or your children via admin@southwold.nottingham.sch.uk and we will try to respond as soon as possible. You could even send photos that we can put on our website or twitter page!

Finally, a reminder to essential key workers that if you need school provision, you should email the admin email as soon as possible.

Sending you very best wishes; keep safe everyone,

K Clifford
Head teacher
