

Monday 20<sup>th</sup> April 2020

Dear Parents, Carers and Children,

We hope that you are keeping well. We miss being at school, but know that being at home is the right thing to do in the circumstances. We hope you are staying happy and safe.

Please find attached the home learning for this coming week. We have tried hard to create a document that you can access easily with your children. We know it is sometimes hard to do learning at home and it is not always easy accessing online materials.

Please have a go at these tasks that your teachers have carefully set. We have also attached some additional information and ideas.

These documents have also been uploaded to the class pages on the website:

[southwoldprimary.com](http://southwoldprimary.com)

New home learning will be sent to you, and added to the website, each Sunday evening, ready for the week ahead.

Charlotte, our artist, asks that you save any of the tasks she sets and bring them back to school when we return. This is true of any of your home learning – we would love to see what you can achieve.

Remember you can send us photos of your learning and play time to [admin@southwold.nottingham.sch.uk](mailto:admin@southwold.nottingham.sch.uk) We would love to see what you are up to. This is also the email address for any messages you might need to send us.

Sending very best wishes,

Your Southwold Staff
