Dear Parents and Carers,

Please see the table below, which details which staff are leading which year groups next year. We hope your children are excited to return to school in the Autumn Term to their new classes (future details around what this will look like are linked to government guidance).

Obviously, your children will not go through the usual 'class swaps' in school, to meet their new teachers. Your current class teacher will be in touch via a wellbeing phone call this week.

Your child's new teacher will then be in touch to explain how transition to new classes will work this year. We are hoping to offer your children the opportunity to come to a socially distanced meet-up on the school field to say goodbye to their current teacher and meet their new teacher (although Year 4 already know Miss Wheeler very well)!
