4th January 2021

Dear Parents and Carers,

Thank you to so many of you for sending your children back to school this morning. It is lovely to see them. I am pleased we have been able to be open to all classes this week and hope this is the case as we move forward.

However, we must be aware tougher government restrictions *might* lead to further school closures across the country. To prepare for this, we will be sending out a questionnaire this week to see who would need key worker provision should the Government or Local Authority instruct us to partially close.

As you can imagine, we have been following updates in the news. This is a period of increased infection and we must all be very cautious and follow guidelines. I can assure you that within school we have tightened our risk assessment and procedures accordingly to ensure staff and pupils are safe as they can be.

I need to ask you to support school in these essential health and safety measures by:

- ALL parents and carers to wear a face covering on site (unless exempt)
- The maintaining of 2 metres social distancing at all times whilst on school site, especially at the end of the school day – there are clear markers on paths and the playground for you to use
- Only one parent/carer per child on site
- Please ensure children stay next to you at all times during drop-off and pick-up, including while waiting for siblings
- Parent/carer to only drop-off and collect their own children wherever possible, unless part of a specific childcare bubble, due to Tier 4 restrictions of no mixing of households

As always, thank you for your continued support of school.

Please can you ensure that you report all pupil absence by ringing the school office. If your child, or anyone in your household, has any symptoms of Coronavirus, children must not come to school until a negative test has been confirmed.

For all other communications please email school. The school email admin@southwold.nottingham.sch.uk is now working again.

Thank you and best wishes,

K Clifford
