5<sup>th</sup> January 2021

Dear Parents and Carers of children in Years 1 to 6,

I hope this email finds you well. You will agree that the government's instruction to close schools was a sudden one and we are having to take time to ensure we are providing effective home learning. Your patience and understanding is very much appreciated and I know we will get through this difficult time together!

Tomorrow, you will receive a schedule for formal remote/home learning, which officially starts on Thursday 7th January for those children learning at home. There is an absolute expectation that children complete the work and engage with their class teachers and a daily class register of attendance will be taken. We want your children to be making progress in their learning during this period of lockdown, as so much learning was lost last year, and we ask for your full support in this.

Mrs Salmeron has posted a Class Dojo message today with information about how the learning will be accessed, but further details will be sent out tomorrow and teachers will share learning schedules. In the meantime, your children's class teachers have posted some gap tasks on Class Dojo for your children to complete tomorrow at home.

Many thanks and very best wishes,

Kate Clifford  
Head Teacher  
Southwold Primary School and Early Years' Centre
