Tuesday 23<sup>rd</sup> February 2021

Dear Parents and Carers,

Welcome back to Spring Term 2.

No doubt you will be aware of the news that schools will be re-opening to all children on the 8<sup>th</sup> March and we very much look forward to having all the children back in school.

However, we must stress that **we will not be relaxing the restrictions** that are in place in school and children will remain within their class bubbles as they were last term and **on-site measures will continue**. These include:

- Following the one-way system in place around the school site
- Children will enter school between 8:45 and 8:55am through their designated gates
- Parents are to maintain social distancing of 2 metres whilst on site and wear a face covering at all times, unless exempt

We will continue to follow our strict risk assessment, including the regular washing of hands/ high levels of hygiene and ventilation across school.

**We ask for your support in following all procedures and it is so important we work together. We very much feel that, although there are signs of hope that national restrictions will be eased over time, we must ensure that we are keeping school infection-free and that we are keeping all staff, pupils and parents safe.**

Thank you for your understanding and ongoing support.

Best wishes,  
K Clifford  
Head teacher
