Friday 5<sup>th</sup> February 2021

Dear Parents and Carers,

As always, I must start by saying thank you for supporting your children (and the school). We now have 100% of children engaging in Years 1, 3 and 6 and 94% in other classes!

We are all very tired, pupils, parents and teachers, but I ask that we keep going with our efforts to keep children learning - half-term is on the horizon!

A reminder that next Friday 12<sup>th</sup> February is an INSET day and school will be closed to all pupils. This includes the home learning, so there will be no remote learning next Friday and the children will finish for half-term holiday on Thursday 11<sup>th</sup> February.

For your information, staff have begun self-testing for Covid twice a week and everyone is reporting negative test outcomes so far. It is therefore so very important that you support us by following guidance and restrictions, especially by following rules on site and by not mixing with other households. Should anyone report a positive test, their class bubble will be asked to isolate at home for ten days and all those children will need to be remote learning.

We have extended the 'Express Yourself' competition until next Wednesday now - your children can show us how they like to express themselves during this time, be it through a piece of writing, a dance or a picture. Entries can be given to teachers if children are in school, or else uploaded to Class Dojo portfolios.

In final news, Mrs Bayliss has now started her maternity leave and we look forward to hearing her happy news. We have welcomed Miss Slater-Evans into school as the teacher in Year 2 working alongside Mrs Salmeron and Miss Benton for the duration of the maternity leave. She has already been in school a couple of weeks and has settled into the team so well!

Please remember to contact your class teachers if you have any queries. Have a lovely weekend.

Thank you and best wishes,

K Clifford  
Head teacher
