Friday 12th March 2021

Dear Parents and Carers,

What a great first full week back after lockdown! Your children have seemed so happy to be in school with all their friends. Of course, there has had to be some time taken to settle all the children back together again, but overall it has been a very positive return.

Restrictions on site

Thank you to the majority of parents and carers who are following the on-site restrictions, including the wearing of face coverings and maintaining social distance.

It is very important that we continue to work together - we are a school that has not yet had to close a bubble during term time and we feel very strongly that we want to maintain this record and take every precaution to keep school open. That is why you will be spoken to should you choose to not /forget to follow the restrictions – we would appreciate it if we could *all* work together on this.

It is for staff and parent safety in particular that these measures are in place, especially for the more vulnerable amongst us and we ask everyone to respect this.

Red Nose Day

Next Friday 19th March is 'Red Nose Day'. School is inviting all children to pay £1 to come to school in their favourite clothes on this date.

Official red noses are now on sale in school, costing £1.50 and these will be sold on a first-come, first-served basis. These are available from class teachers and not the office.

Thank you and best wishes,
K Clifford
Head teacher
