Friday 30th April 2021

Dear Parents and Carers,

Thank you to the majority of parents and carers who continue to follow our Covid restrictions on site. As a school community, we should be very proud of how we have managed to keep the school open during term-time throughout the pandemic. This has not been the case in many other schools in the city and we would like to maintain this record, so will keep restrictions in place until it is totally safe to lift them. Though the situation seems to be improving, the pandemic is not yet over.

Please therefore be reminded that:

- ❖ There are specific gates for entries and exits: EYC children and parents walk round to the EYC gate (with diversions for siblings); Years 1, 2 and 3 children please continue to use the gate at the top of the field; Year 4 and 5 use the main playground gate and Year 6 use the Year 6 gate
- ❖ Please wear face coverings at all times on site
- ❖ Please continue to use the one-way system
- ❖ Please make sure that only one parent/carer per family is on site
- ❖ Please maintain a social distance

It is not pleasant for staff to have to challenge those of you who do not follow these rules and we all ask that you please work together with us until restrictions are lifted to keep everyone safe.

Thank you for your attention and continued support. Please remember it is Bank Holiday Weekend and that school is closed on Monday 3rd May.

Best wishes,

K Clifford
Head teacher
