Friday 18th June 2021

Dear Parents and Carers,

Covid restrictions

As always, thank you to the majority of parents and carers who continue to follow our Covid restrictions on site.

However there are now a greater number of parents who are choosing not to wear a face covering or follow other restrictions on site.

The Delta variant of the Covid virus is impacting on many schools in the city and county (and across the country), with a growing number of schools having to close bubbles due to positive Covid cases.

Should a bubble have to close at Southwold, you would be informed immediately and the pertinent bubble would have to return to remote learning for the duration of the self-isolation period at home.

Please respect our restrictions and continue to work with us. It is not pleasant for staff having to continually ask parents to follow the guidelines.

Dates For Your Diary
