EMERGENCY COMMUNICATION: Changes to Summer Term Dates...

We have heard this week from Nottingham City Council that **there will be emergency asbestos works taking place in school over the summer holidays**, which involves the removal and replacement of ceilings. *(Please note that although there is asbestos in the school roof, there has been no risk at all to pupils and staff).* Absolutely everything needs to be removed from classrooms and boxed up, then re-installed before the children return in September.

School has been granted two additional INSET days from the corporate director of the council to ensure that there is sufficient time to support this project (i.e. packing up and re-instating of classrooms).

Therefore, please note that **school will now close to pupils at the end of day on Thursday 21st July and re-open on Wednesday 7th September 2022.**

We apologise for any inconvenience this may cause you and hope that you understand the situation.

Please note that EYC have some difference to these dates due to the move to the Hub building, but this has been communicated by the EYC team.

Very best wishes,
Mrs Clifford
Head Teacher
