

Friday 9<sup>th</sup> June 2023

Dear Parents and Carers,

Welcome back for the last term of the year. As always, we have a lot to look forward to as our learning journey continues.

### Core Values

Our core value this term will focus on Collaboration. Pupils will be encouraged to display interpersonal skills such as: working together, listening to peers, encouraging peers, supporting one another, offering reassurance etc. Pupils will be rewarded with Dojo points or stickers for displaying these skills.

### Green Hustle Project

We were very proud of our pupils' work displayed in the Old Market Square last weekend. Our Green Team led the Green Hustle Project in school to promote awareness of plastic pollution in our oceans through reusing plastic bottles. We hope you enjoyed the event!

### School Photographs

A school photographer will visit on Tuesday 20<sup>th</sup> June in the morning. All pupils will have their photograph taken during the school day. If you would like your children photographed with other siblings who do not attend our school, please arrive at 8:30am for the family sitting.

### Sports Day

Southwold Sports Day will be on Thursday 6<sup>th</sup> July (weather permitting) at 9:30am on the school field.

As part of our Collaboration core value, children will compete in House Teams. We would like for them to wear a t-shirt to represent that colour. The house teams are:

Robin Hood –	Green
Little John –	Blue
Maid Marion –	Red
Friar Tuck –	Yellow

Each child should know what house team they are in. To help, your child's class teacher will also message on Class Dojo to let you know what team your child is in.

### Sun Protection

As the weather warms, it is important that your child is protected whilst in the sun. Please follow these guidelines:

- Children must have a named, peaked or wide-brimmed school hat during the summer term & taken on school trips.
- Ensure your child has applied sunscreen (SPF 25+) before coming to school.
- Teach your child to apply his/her own sun screen to all exposed areas.
