

OPAL Play Assembly- Construction

19th May 2025

Inform - Construction

- What could you build with these items?

Negotiate

What must we do to sure safe and inclusive play?

1. Think of the risks and then plan your build
2. Share loose parts
3. Test your structure before it is used
4. Height of tyres maximum your waist
5. Crates are tyres are stable - stack on top of each other

Protected Characteristics

Everyone has the right to be treated fairly, no matter if they are a boy, a girl, or don't feel like either.

It is one of the things the law protects to make sure everyone is included and respected.

We should all be kind, include each other, and celebrate who we are!

British Values - Democracy

Everyone gets a turn – We all have the right to play and be included.

We listen to each other – Everyone's ideas are important.

We vote if we can't agree – If we can't decide, we choose by voting.

We decide together – We make choices as a group, not just one person.

Everyone has a voice – We all get a chance to share our thoughts.

United Rights of a Child

Play is a right for every child — it helps us learn, grow, and have fun together!
