Topic: Is it possible to be kind to everyone all of the time?

Year 2 Autumn

Christianity

I will learn:

- Jesus summed up the 10 commandments from the Old Testament into two key commandments.
- The most important teaching was to **love thy neighbour**.

Love the Lord your God
with all your heart and with all your soul
and with all your mind and with all your strength,
• & •
Love your neighbour as yourself.
there is no commandment greater than these.
- Mark 12:30-31

- Jesus told parables and did miracles to help people understand how to live out his words.
- Jesus showed kindness when he healed the paralysed man.
- Jesus showed how to love your neighbour in the parable of the Good Samaritan.
- It can be hard to be kind to everyone.

I should already know:

- God gave the first humans the job to look after the world He had created

- Christians believe that Jesus teaches in the Bible that people must forgive each other for any wrongdoing.

Christian belief: being kind to all

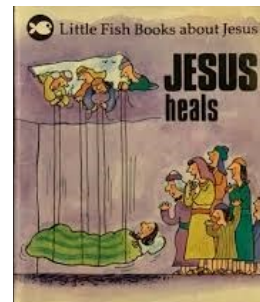

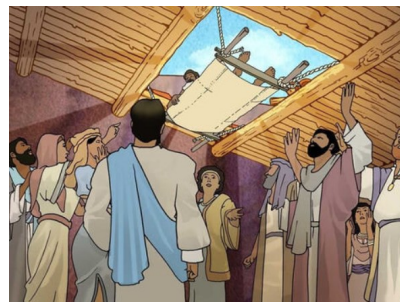

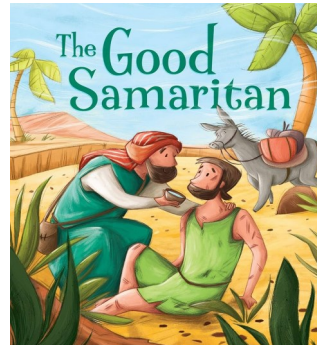

Because of the examples Jesus gave, Christians believe everyone is their neighbour. So they must care about people they may not like, know or who may be outcast from society.

The Samaritan did not have to help the hurt Jew, especially considering the hatred the Jewish race had for Samaritans, yet he does, so Christians try to be like this.

The Greatest Commandments:

Love the Lord your God with
all your heart, all your soul,
and with all your mind and
love thy neighbor as thyself.

Matthew 22 37:38
